

ISTRUZIONI PER IL MONTAGGIO KIT 107

INSTRUCTION FOR KIT107 ASSEMBLY

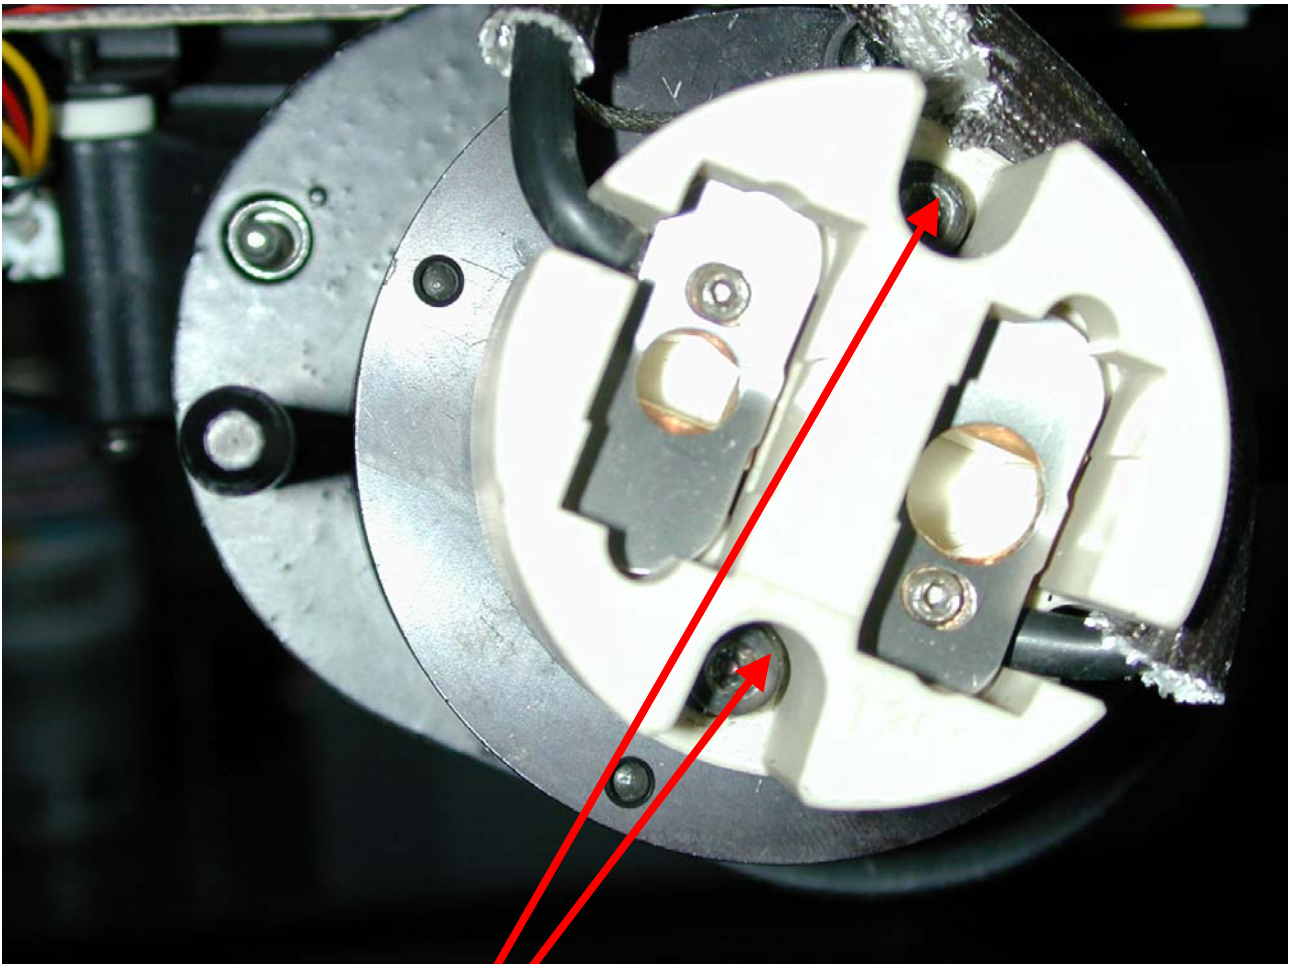

Estrarre il portalampada

Take out the lamp holder

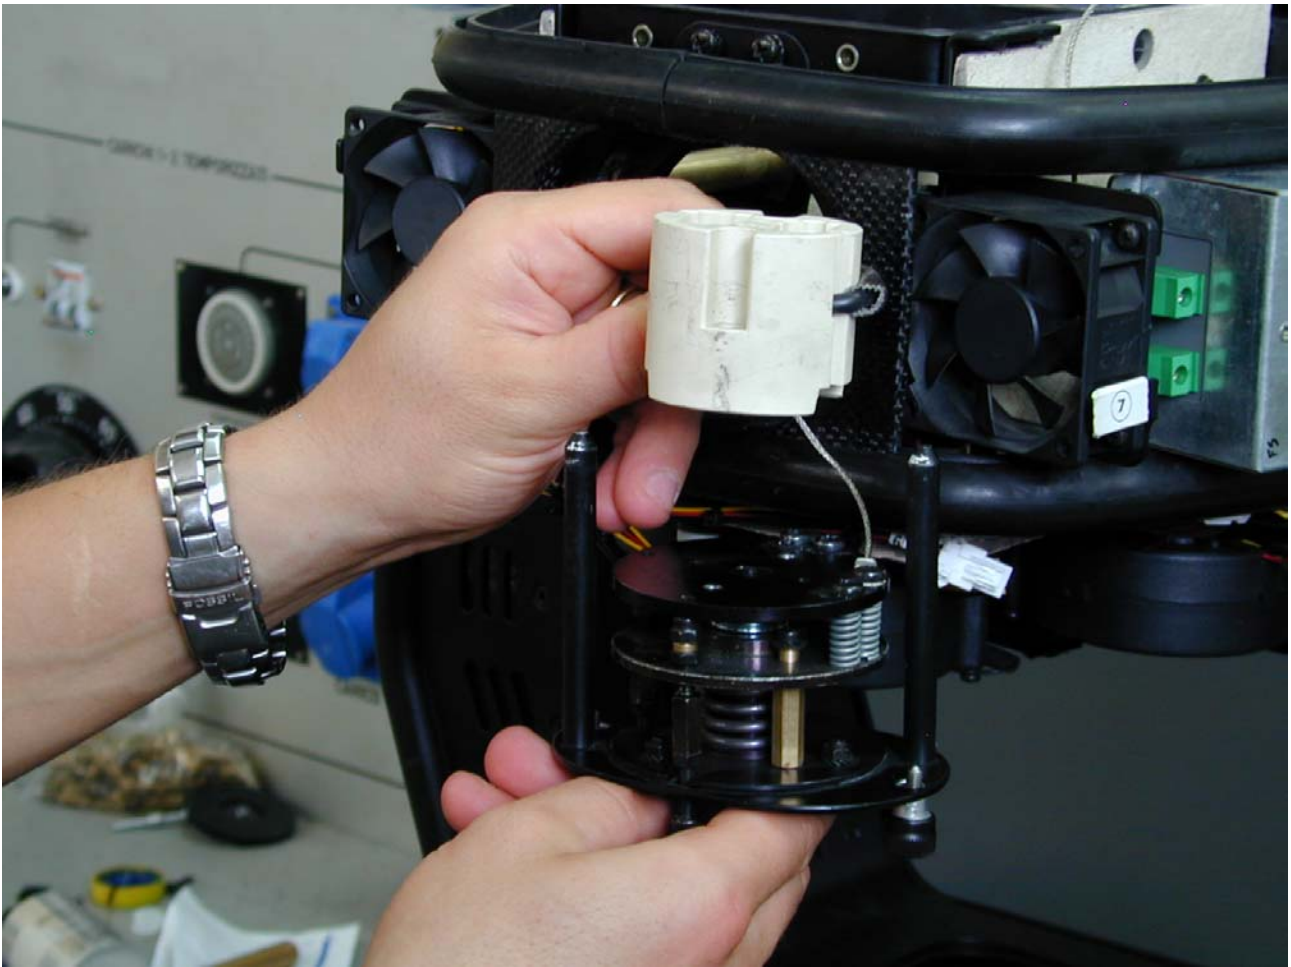

Togliere la lampada e svitare completamente le viti **K**

Take away the lamp and unscrew completely the screws **K**

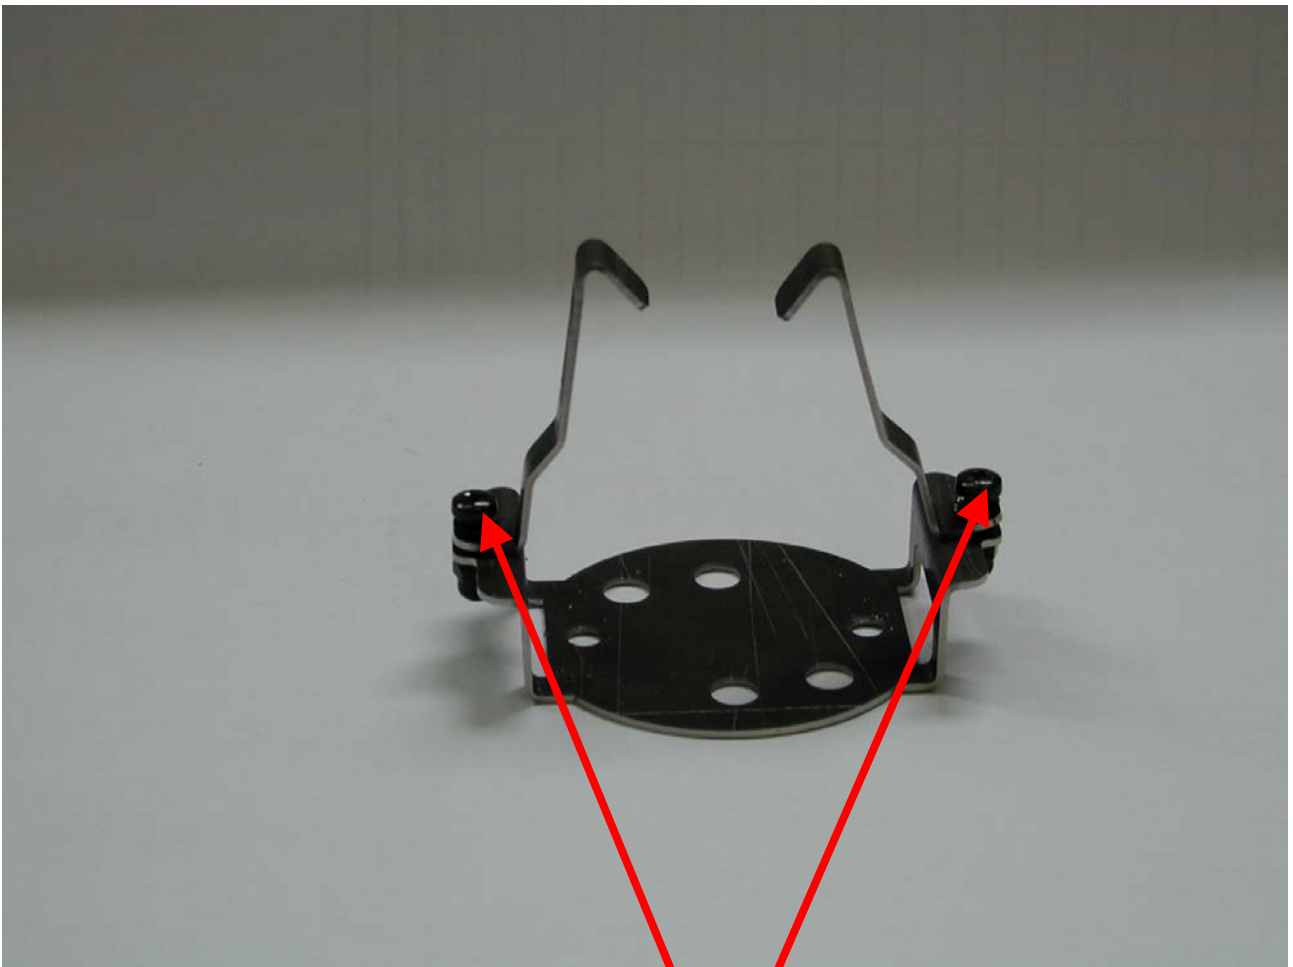

K

Allentare le viti **Y** del **KIT 107** in modo che le alette laterali si possano aprire per permettere l'inserimento della lampada

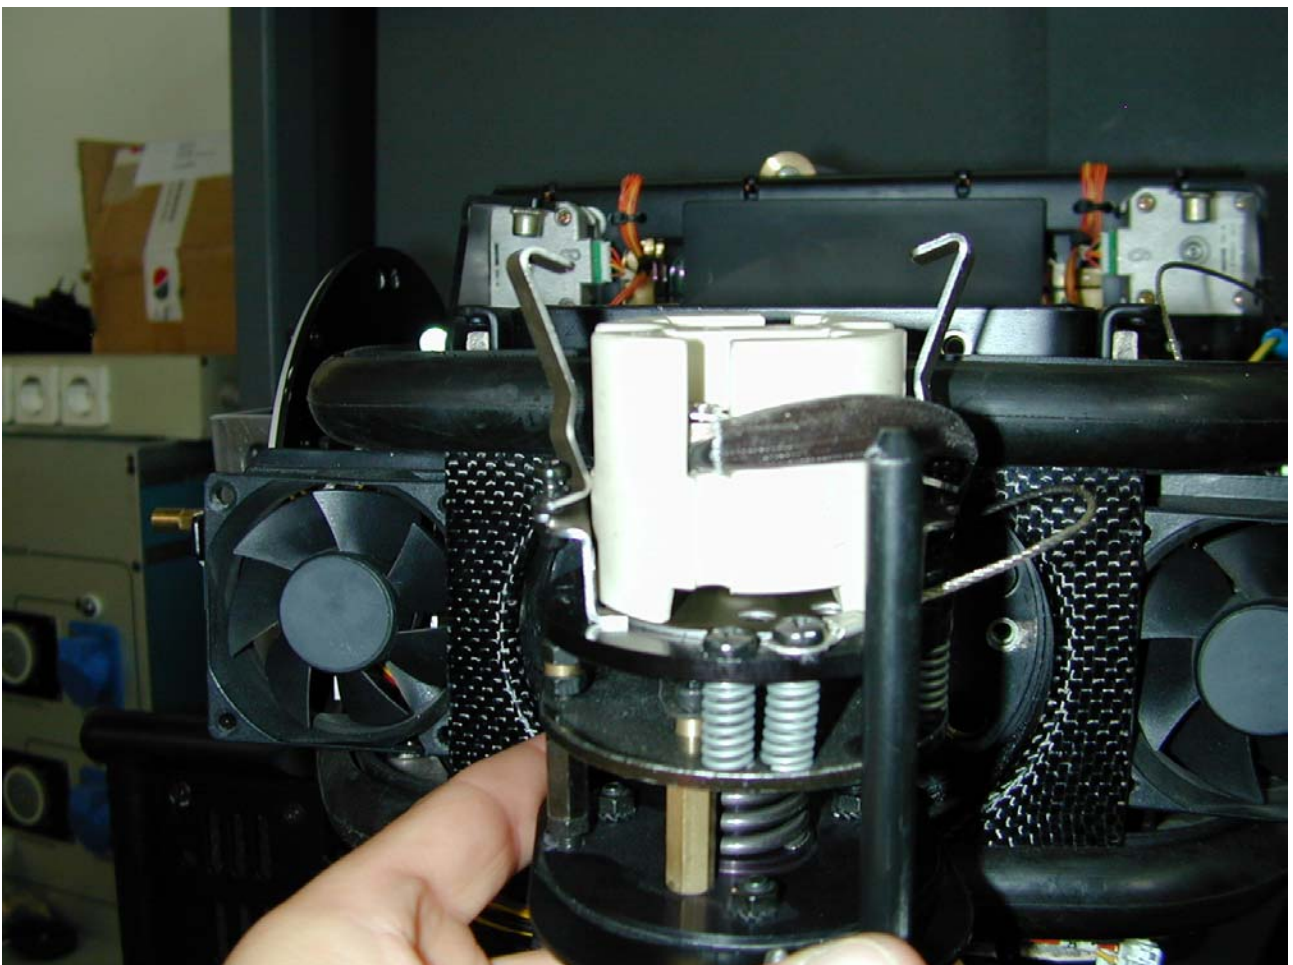

Loosen the screws **Y** of **KIT 107** so that the side flyers can open and allow the lamp going in.

Y

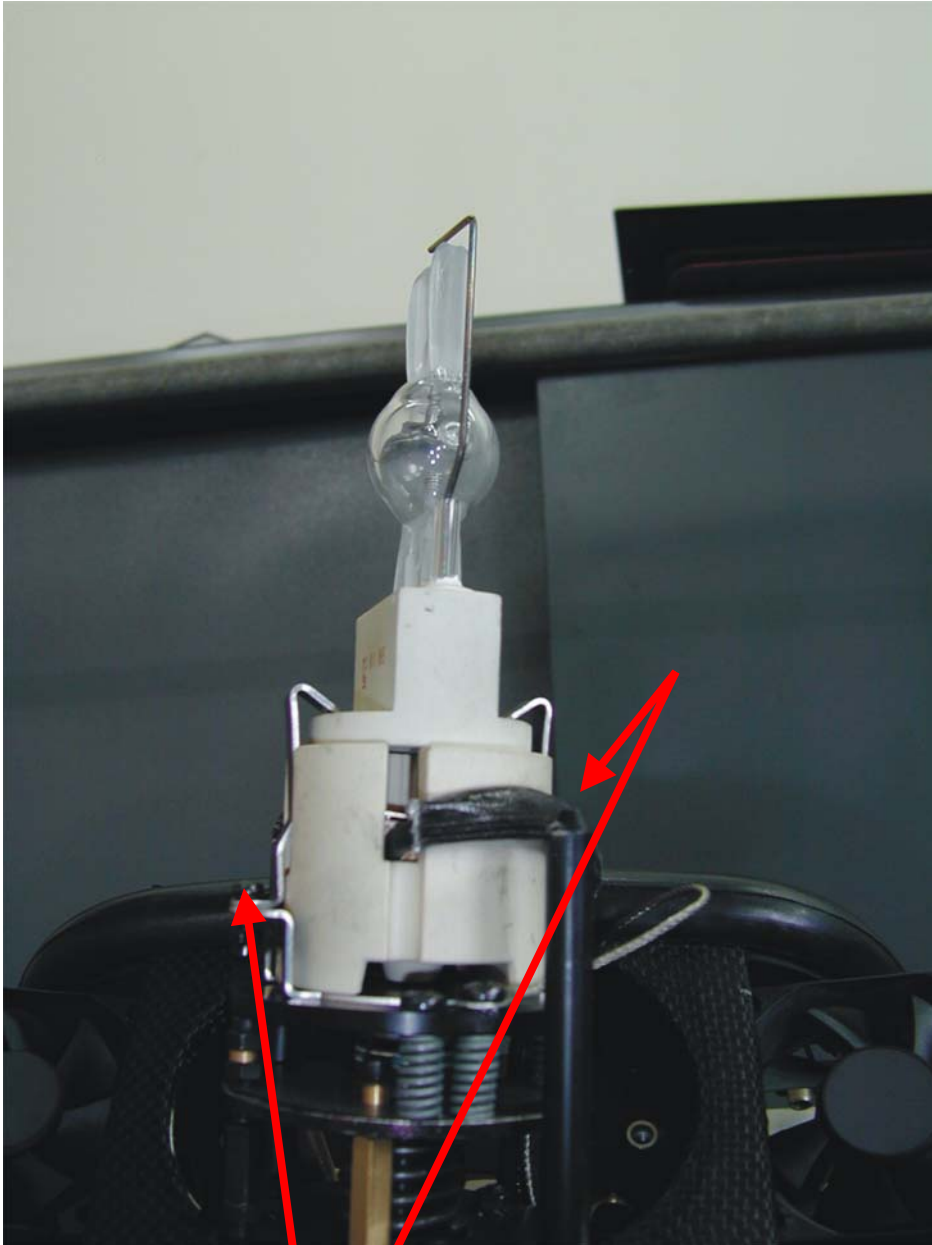

Inserire il **KIT 107** sotto il portalampada come indicato e serrare le viti **K** tolte precedentemente

Insert the **KIT 107** below the lamp holder as indicated and screw the screws **K** previously taken away

Inserire la lampada e serrare le due viti **Y** laterali

Insert the lamp and screw the 2 side screws **Y**
